FILE NO. SH2246415

FROM: ERIC B. SMITH, COMMANDER  
LEADERSHIP AND TRAINING DIVISION

TO: KARYN MANNIS, CAPTAIN  
INTERNAL AFFAIRS BUREAU

SUBJECT: **EXECUTIVE FORCE REVIEW COMMITTEE DISPOSITION:**  
**DEPUTY ISMAEL GARCIA # [REDACTED]**  
**LAKEWOOD STATION**

On June 29, 2009, at about 0315 hours, Deputy Ismael Garcia, in fear for his life, fired one 9mm round from his Beretta 92F pistol at the male Hispanic adult suspect, missing him.

Deputy Garcia, Unit 133T1, was contacted by a motorist, who was driving north on Lakewood Boulevard and related that one of his vehicles had just been stolen. The motorist directed Deputy Garcia's attention to a black Honda which was stopped at a traffic signal on Lakewood Boulevard. Deputy Garcia initiated a traffic stop of the stolen vehicle and the driver yielded, stopping the Honda on Gardendale Street at Blodgett Avenue.

Without warning, the driver fled from the vehicle and faced Deputy Garcia, simultaneously reaching for his waistband. Deputy Garcia, in fear for his life, fired one 9mm round from his Beretta 92F pistol at the suspect, missing him. The suspect immediately turned and ran west, turning north on Airpoint Avenue and out of sight.

Assisting deputies responded to the scene and established a containment. Canine Services Detail was requested and responded to the location as well. An extensive search of the area proved fruitless, however. After several hours it was determined that the suspect had successfully eluded capture.

On December 10, 2009, the Executive Force Review Committee convened and conducted a review regarding the facts of this case. The applicable policies that were evaluated by the committee were: MPP §§ 3-01/025.00, Use of Force; 3-01/025.30, Use of Firearms and Deadly Force; 3-01/025.10, Unreasonable Force; and 3-01/050.10, Performance to Standards.

Concerning:

MPP § 3-01/025.00, Use of Force, MPP § 3-01/025.30, Use of Firearms and Deadly Force, and MPP § 3-01/025.10, Unreasonable Force, the Committee determined that the force used by Deputy Ismael Garcia # [REDACTED] was reasonable and necessary and in compliance with Department policy.

MPP § 3-01/050.10, Performance to Standards, the Committee determined that the tactics employed by Deputy Ismael Garcia # [REDACTED] in this incident were within Department Policy.

The Committee directs the unit commander to send Deputy Ismael Garcia # [REDACTED] to eight hours of Tactics and Survival Training as part of the Continuing Professional Training (CPT) curriculum and a debriefing, documented by the Tactics and Survival Training Unit. The APIS Roster of the training attended and the documentation of the debriefing must be returned.

The motorist pointed at his stolen vehicle that was stopped at a traffic signal on Lakewood Boulevard. Deputy Garcia conducted a traffic stop of the vehicle on Gardendale Street at Blodgett Avenue.

The vehicle (black Honda) yielded and Deputy Garcia awaited the arrival of assisting units. As he awaited, the driver suddenly exited the vehicle, faced Deputy Garcia and reached for his waistband. **INVOLVED EMPLOYEE STATEMENTS:**

**Deputy Ismael Garcia #** ██████████ **was interviewed on July 16, 2009, by Sergeant's Albert Maldonado and Scott Hill of the Internal Affairs Bureau. The interview took place at the Internal Affairs Bureau office and was digitally recorded.**

Deputy Garcia said, while on routine patrol, was traveling westbound on Gardendale Street and approaching Lakewood Boulevard. He saw two vehicles exit an alleyway onto Gardendale Street (westbound) towards Lakewood Boulevard. Both vehicles stopped at a red light in the number one lane. He stopped his vehicle directly beside both vehicles in the left hand turn lane and conducted a license plate check of the second vehicle. As he awaited the return, he said another vehicle suddenly stopped behind him. The driver exited his vehicle and approached him on foot. The driver (Victim ██████████) immediately told him the vehicle stopped beside his vehicle (black Honda) was his vehicle and had just been stolen. Deputy Garcia said the light turned green and both vehicles proceeded directly through the intersection. He followed the black Honda and immediately requested back-up via Sheriff's radio. He activated his overhead lights and conducted a traffic stop of the vehicle on Gardendale Street just west of Lakewood Boulevard. The vehicle yielded and Deputy Garcia, stopped approximately two car lengths behind, immediately exited his vehicle. With his department issued Beretta drawn, he stood behind the open front driver side door as he awaited the arrival of assisting units.

**I.A.B. Note: Deputy Garcia said he reacted instinctively by conducting a traffic stop of the suspected stolen prior to the arrival of back-up units. He said in hindsight it would have been tactically correct to follow the vehicle and await**

**the arrival of sufficient back-up units and an aero unit prior to activating his lights and conducting a traffic stop.**

Deputy Garcia said once the vehicle yielded he ordered the driver, in English, to stay inside and place his hands out the window. At this time the victim stopped his vehicle behind the radio car and stood approximately 15 feet behind him. The driver complied and placed both hands out the window. Deputy Garcia said he was not comfortable with the victim standing behind him and turned to glance at him. When he turned back towards the suspect, the vehicle door opened and the suspect exited. Deputy Garcia said as the suspect exited he (suspect) turned and faced him. The suspect reached for his waistband and removed what appeared to be a silver handgun. Deputy Garcia, in fear for his life, fired one round from his handgun at the suspect. He doesn't believe the suspect fired a round and was able to fully retrieve the handgun from his waistband. The suspect responded by fleeing, on foot, west bound and turning onto north bound Airpoint Avenue. Deputy Garcia said he was aware his background was a residential street that was illuminated by his radio car spot lights. He could not recall if there were street lights but could clearly see the suspect. There were no pedestrians in the area.

Deputy Garcia said he was not sure if there was anyone else in the vehicle. He slowly approached the vehicle and looked through the windows. Once he was sure there was nobody else in the vehicle, he went to the intersection of Airpoint Avenue and Gardendale Street to see if he could ascertain what direction the suspect ran. He could not see the suspect and immediately began to set-up a containment.

**NON-DEPARTMENT WITNESS STATEMENTS:**

██████████ (██████████) was interviewed in Spanish on June 29, 2009 by Sergeants Carlos Flores and Albert Maldonado. ██████████ said he was sleeping inside of his home when he was awakened by the sound of a vehicle motor running. He looked out of his window and saw a red car with two persons inside and another person stealing his car (black Honda). Both cars left and he went out to another of his vehicles and followed them. He said both cars stopped at a red light at Gardendale Avenue and Lakewood Boulevard. He saw a patrol car stop directly beside them. He said he stopped his vehicle directly behind the patrol vehicle and ran up to the officer inside. The officer began to get out of his car and asked him what was wrong. He explained to him that

the black Honda beside them was stolen. He said the officer asked him how he knew the vehicle was stolen and he explained to him it was his vehicle.

█████ said at that moment the light turned green and both vehicles proceeded through the intersection. The officer re-entered his vehicle and followed his black Honda. The officer activated his overhead lights and conducted a traffic stop. █████ said he followed the officer and stopped approximately 10 feet directly behind him during the traffic stop. He said the officer stepped out of his vehicle and began to give the driver of the vehicle verbal commands. He said he could hear the officer order the suspect to stay in the car and place his hands out the window. He said he remained in his vehicle and with his head out the window, saw the door of the suspect's vehicle open. The officer ordered the suspect to show him his hands. The suspect did not comply and exited the vehicle. █████ said he did not see a gun but saw the suspect clearly make a motion with his hands towards his waistband. He said the officer fired one round at the suspect who immediately ran from the location.

█████ said the officer approached the vehicle to see if there was anyone else inside. After checking the vehicle the officer went to see where the suspect had run. The officer began talking on his radio while waiting for the back-up officers to arrive.
